RE:

STATINTL

Thank you for yours of November 27, 1972. I will be pleased to call the action in the District Court of Maryland for Anne Arundel County in prior to the trial date in light of your letter which acknowledges responsibility and your phone discussion to me indicating to me that payment would be forthcoming.

I am enclosing herewith the claim for damage form which you sent to me together with the supporting documents indicating that the U.S.F.&G. paid \$705.98 and that there is a \$100.00 deductible due to the Whalen Company, making the total claim \$805.98.

I will look forward to receiving from you the check in payment of this claim by return mail. Thank you very much for your cooperation.

Very truly yours,

Alva P. Weaver. III

Invorder that your claim for damages may receive proper consideration you are requested to supply the information called for on both sides of this form. All material facts should be stated on this form, as it will be the basis of further action upon your claim. The instructions set forth below should be read carefully before the form is prepared.

INSTRUCTIONS

Claims for damage to or for loss or destruction of property, or for personal injury, must be signed by the owner of the property damaged or lost or the injured person. If, by reason of death, other disability or for reasons deemed satisfactory by the Government, the foregoing requirement cannot be fulfilled, the claim may be filed by a duly authorized agent or other legal representative, provided evidence satisfactory to the Government is submitted with said claim establishing authority to act.

The amount claimed should be substantiated by competent evidence as follows:

(a) In support of claim for personal injury or death, the claimant should submit a written report by the attending physician, showing the nature and extent of injury, the nature and extent of treatment, the degree of permanent disability, if any, the prognosis, and the period of hospitalization, or incapacitation, attaching itemized bills for medical, hospital, or burial expenses actually incurred.

- (b) In support of claims for damage to property which has been or can be economically repaired, the claimant should submit at least two itemized signed statements or estimates by reliable, disinterested concerns, or, if payment has been made, the itemized signed receipts evidencing payment.
- (c) In support of claims for damage to property which is not economically reparable, or if the property is lost or destroyed, the claimant should submit statements as to the original cost of the property, the date of purchase, and the value of the property, both before and after the accident. Such statements should be by disinterested competent persons, preferably reputable dealers or officials familiar with the type of property damaged, or by two or more competitive bidders, and should be certified as being just and correct.

Any further instructions or information necessary in the preparation of your claim will be furnished, upon request, by the office indicated at the top of the other side of this form.
